For Pokemon FireRed Version on the Game Boy Advance, a GameFAQs message board topic titled 'Gameshark Shiny Code'.. More Rivals Unlike the original game which only gives you one rival this game will give you three different rivals.. FlareRed is a hack which will completely reinvent the Original Firered Story We at Team Splash have brainstormed for hours thinking new features that can make the game exciting and hopefully has a lot more replayability than the original game.. Reusable TMs You can now reuse TMs as many times as you want Trainer with EVs Trainers will now have custom EVs, Natures and IVs Items Banned!Items are now banned in battle.

O o *Finished the final scenario of the Mt Code: Green means it's already added into the patch Blue means it's in the works or semi-working but not released Red means it's planned Grey means it's in limbo for now Green's Douchebagery Increased by 30% Yes that's the first feature I'm gonna mention:P Moral Compass This feature allows your character to make ingame decisions which will affect your gameplay sooner or later.. This game will reimagine every gym so that you would have more fun! Faction Perks!After joining a faction you will also gain perks from said factions.. Which path is worth taking?' Creator's Notes: Hi guys it's me again here to bring you a new old hack for those who want to rewind their nostalgia.. The perks are planned but will be revealed later on Minor Aesthetic Changes Some places in the map are changed for better or worse xD Pokemon making sense Your Pokemon will now obey you if happiness is high enough even if you dont have the proper badge.
